■WARNING

This unit is designed for use with mobile phones only. The use of this unit with any other device may result in damage or fire.

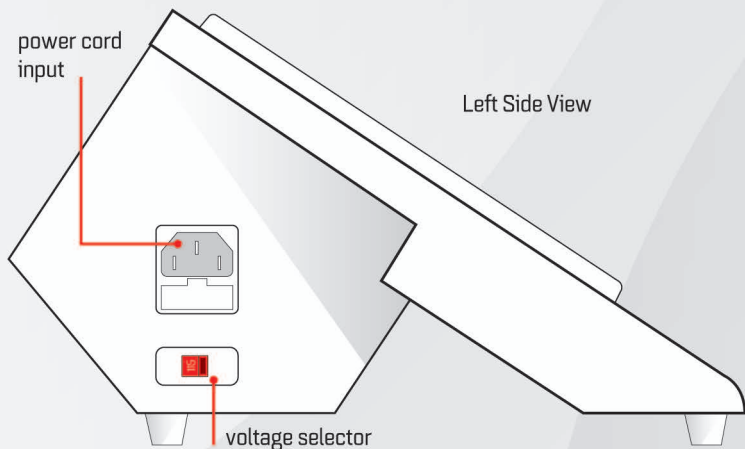

■ INSTRUCTIONS / SET UP

- 1.** Remove the power cord from shipping carton. Retain shipping carton for further use should you need to ship the charger to another location, or for service.
- 2.** Confirm that the power switch on the left side of the charger is set to the correct voltage **(110v or 220v)** and plug the power cord into the charger, and into a wall outlet.
- 3.** With the charger attached is to a power source the LED will slowly flash Green indicating that the charger powered and is waiting for a mobile phone to be placed.
- 4.** Place mobile phone on the adapters. The LED will change to rapidly flashing Green.
- 5.** Once the charging cycle is complete the LED will change to Solid Green.
- 6.** If the LED slowly flashes Green when the mobile phone is placed, this is an error indication that the battery may be defective and needs to be replaced. It is suggested that the mobile phone be taken to your local dealer service center to have the battery checked.

■ WARRANTY

Your charger product has a one-year limited warranty from date of purchase against defects in material and workmanship. Under this warranty, you may return a faulty product to AdvanceTec and AdvanceTec will either repair or replace the faulty product free of charge. To return a faulty product for repair or replacement, please call AdvanceTec in the USA at 305-623-3939 to obtain a Return Material Authorization number. If outside of the USA, contact your authorized AdvanceTec dealer for a Return Material Authorization. This warranty covers only defects in material or workmanship in normal use and not damage from negligent handling, misuse, charging of batteries other than those the charger was specified and designed to charge, or lack of proper care.

Important: Opening of the charger will void this warranty. This warranty gives you specific legal rights. You may also have other rights, which vary from state to state.
